Sir,

**Sub: Activation of South Goa District Plan as per Article 243ZD**

Government has constituted the District Planning Committee vide Notification No. 26/25/DPC/068//2012-13 dated 11.03.2016 published in the Govt. Gazette No. 53 Series II dated 26.03.2016.

Although two years have elapsed not even a meeting of the DPC has been held as per the reply received from Director of Panchayats under the RTI Act.

This Union was, therefore, intending to activate the DPCs so that a proper plan for sustainable development is prepared starting from the grassroot level. For this purpose, we have persuaded the Village Panchayats to prepare their plans while the Municipalities are doing this exercise. What is now needed is to activate the Zilla Panchayat to prepare their plans so that a consolidated plan for the entire Goa can be prepared and placed before the Government.

We would, therefore request you to take the necessary steps to obtain such plans from the Municipalities so that the DPCs can be activated and development for the welfare of our people is ensured.

Thanking you,

Yours faithfully,
